

Numerical Systems Save Money

The use of numbers will simplify your records and make them absolutely accurate—you should number every order, requisition, cost-ticket, ledger-card, etc.

And in this connection remember that the Bates Numbering Machine will do the work more accurately and quickly than by any other means. It duplicates, repeats or numbers consecutively as you desire. Isn't it worth investigating?

FIRST BASEMAN OF MEIJI TEAM IS MORTALLY ILL

**M. Tsujita Lies in Hospital
With Pleurisy; Father Com-
ing on Nippon Maru**

M. Tsujita, speedy first baseman of the Meiji baseball team, which was lately visiting in Honolulu and played a series of games here, is near death with pleurisy in the Japanese Hospital. No hopes for his recovery are extended, and it is probable that his death will occur before the arrival of his father, who is expected to be at the side of his son by October 20, being now at sea on the Nippon Maru.

Dr. I. Mori and Dr. G. A. Wuchida are attending Tsujita, and together with Daimon, substitute on the Meiji team, who stayed behind his teammates to nurse Tsujita, they are making a hard fight to prolong the boy's life until his father can reach this city on the Nippon Maru. They are in great doubt, however, as to their ability to sustain his life during the nine days which intervene before the arrival of the steamer.

Tsujita was one of the fastest men of the visiting team and when, after the second game, he became a victim of pleurisy, the blow showed in the changed effectiveness of the team. Since that time Tsujita's illness has been growing steadily worse until now there is no hope of preserving his life.

IDAHO TEACHER WANTS LETTERS FROM ISLANDS

Somewhere back among the pine-clad hills of Idaho, L. Vassar Williamson, a teacher, urges to greater efforts the young minds about him, and wonders what things are like far across the seas in the Hawaiian Islands. Furthermore Mr. Williamson would like to correspond with any English-speaking teacher who lives here, and have the English-speaking pupils write to his own. He has written as follows:

"Route 3, Box 30,
Honolulu, Hawaii.
To Any English-speaking Teacher."

"Dear Sir or Madam:
Would you consider a correspondence course between your pupils and mine? I believe in making it practical as much as possible."

"I have a rural school with but 12 pupils above the fifth grade, and they desire to know something of the islands other than what the geography has to say."

"The everyday life of the children and people would interest us very much. An even exchange of products would be appreciated by us—articles postpaid."

"Hoping to hear from you, I am, yours truly,
"L. VASSAR WILLIAMSON."

CORNERSTONE OF NEW CHURCH LAID SUNDAY

The cornerstones of St. Anthony's church, Father Ulrich's new religious edifice on Puuhale road, Kalia-kai, was laid at 3 o'clock yesterday afternoon in the presence of a large number of the residents of the neighborhood. The ceremony was conducted by Rev. Father Maximilian Alf, provincial of the Catholic Mission of Hawaii. Rev. Father Stephen J. Alencastre, pastor of the church of the Sacred Hearts, Punahou, delivered an address in Portuguese. Music was furnished by a sextet composed of brothers of St. Louis College. In the cornerstones were placed a variety of relics and a copy of the work which brought about the construction of the new church. There also was a list of names of the persons who assisted in the work.

HAWAIIAN DINING ROOM AS BIG HOTEL FEATURE

Word comes from the Hotel Raymond, a fashionable resort at Pasadena, that the hotel management intends to convert their great dining room into a Hawaiian interior, using hundreds of ulima leis in their color scheme. Palms and other distinctive features of the Hawaiian landscape will probably be introduced in the dining room.

"This is an excellent hint upon which we can start the Promotion Committee working," said Director A. P. Taylor this morning. "Just now we are putting in the finishing touches on the publicity campaign for Hawaii Fine-Apple Day, November 10, and as soon as that is off our hands we will take up the matter of Hawaiian interior decoration with the various cafes and other eating places with which we have recently put ourselves in touch."

"Such a place as Tait-Zinkand's in San Francisco, for instance, which changes its scheme of decoration every once in a while, will probably be glad to receive suggestions from us, and by degrees we can probably popularize Hawaiian decorations all over the States."

Isaac McGirr, once prominent as a violinist in New York, died at Washington, Pa., aged 87.

Fort Shafter Notes

(Special Star-Bulletin Correspondence)
FORT SHAFTER, Oct. 11.—The following appointments have been made in the 2d Infantry. In Company B, Pvt. Francis M. Pettigrew, to be corporal, vice Gaanon, transferred. In Company I, L. Cpl. Anthony Morris to be corporal, vice Popp, reduced, and L. Cpl. William Reinsbach to be corporal, vice Von der Wall, reduced.

G. Company, 2d Infantry, entertained with a smoker Saturday evening and had as their guests about 300 men of the other companies of the garrison. G. Company's smokers are always popular and this one was especially successful, both from the amusement and "chow" standpoint. At 8 o'clock the crowd gathered in the large mess hall in the company barracks and were seated at long tables around the sides of the room. The central space was left open for the athletic events that took place after a delicious supper was served. The program was a dandy, and consisted mainly of three-round bouts of buck and wing dances. Music was furnished by the Honolulu string orchestra and the evening's sport opened with a fast bout between Honnagel and Greenswight, both good pugilists of G. Company. After three fast rounds it was called a draw, much to the delight of the sidelines. Martin of G. Company and McAnnis of H. Company were next and caused the enthusiastic audience more than once to rise from their seats. Other bouts followed fast. Scott of K. Company and Clansinger of G. Company fought to a draw and the same resulted when Sarzaio and Birch of Company G finished their fast rounds.

The main event of the evening, however, was not until Shuman of H. Company took on Suellof of K. Company. This was exceptionally good and they put up a slyer, fast, clean scrap. At some future time the draw which was given by a popular vote, will be decided at another G. Company smoker. After a clever buck and wing dance by Miller of G. Company, who shook his feet to the tune of Rhodes' violin, the evening ended and the enthusiastic guests departed, all hoping that a repetition of the enjoyable evening would occur soon again.

After several postponements the officers from Honolulu and those from Schofield Barracks played off their long-standing ball game on Saturday afternoon on the Fort Kamehameha diamond. Although it was thought that the Schofield team would have a clutch on the game, the Honolulu officers gave them a surprise and won by a score of 4 to 2. The game was well played and the large crowd that turned out was very enthusiastic, especially when Capt. Anderson drove out a home run and Lieut. Tepin made himself famous by his great one-hand catch. Schofield has recently been strengthened by Riley, Gonser and Schneider, three star players from the military academy, so no doubt when the next game is played it will be a different story.

The following was the score and batteries:
R. H. E.
Honolulu Officers 4 3 2
Schofield Officers 2 3 5
Batteries: Honolulu—Lyman and Wheeler. Schofield—Riley, Sadler and Gonser. Umpires—Jerome and McGay.

The first ball game of the season played on the new diamond at the fort on Sunday between the teams from Company M and Company C, 2d Infantry, resulted in an easy victory for Company M. The crowd was rather small and except for the long hit of Kane of E. Company and the excellent battery work of West and Burton of Company M, there was nothing startling in the game.

The following was the score and batteries:
R. H. E.
Company M 9 14 2
Company E 5 3 3
Batteries: Company M—West and Burton. Company E—Simmons and Kane. Umpires—Armstrong and Dobson.

The amusement hall to be erected at the post will be built in the gulch, between the main post and the cantonment south of the main road. The board of officers, consisting of Maj. Lenihan, Capt. Cochran and Lieut. Dalton, have been looking over all available ground at the fort for the past few days to decide the most suitable location.

The contract will be let immediately and before the new year Fort Shafter will have its much needed amusement hall.

BY MATSONIA TOMORROW

Fresh fruit and vegetables and Puritan butter. Also for our delicatessen counter, boiled ham, smoked beef, knackwurst blood tongue, head cheese, bratwurst, Ashland ham, smoked tongue and liver loaf and an assortment of cheeses in foil, glass and tins. Henry May & Co., Ltd., phone 1271—Adv.

ARMY NOTES

Capt. F. M. Hinkle, post commander at Fort Armstrong, announced today that Pvt. John H. Macintosh of the 104th Company, C. A. C., has been ordered to take the course for student bakers at Fort Shafter.

To take the place left vacant through the suicide last week of Sgt. George Riley, Capt. F. M. Hinkle, post commander of Fort Armstrong, has promoted Cpl. James B. Parker to be company quartermaster and mess sergeant vice Sgt. Riley, deceased. Lance Cpl. Robert L. Givens will be promoted corporal, vice Parker, promoted.

FORMAL STEP TO FORECLOSE ON HILO RAILWAY

Bill in Equity Filed; Receiver is Likely to Be Appointed at Hearing Friday

A bill in equity has been filed in the circuit court at Hilo praying that the court order the foreclosure of the mortgage given by the Hilo Railroad Company to the Bishop Trust Company in 1909.

The bill, which is entitled "Bill for foreclosure of mortgage and the appointment of receiver," was filed in the name of the Bishop Trust Company as trustee of the bondholders. The Hilo Railroad Company and the First American Savings & Trust Company of Hawaii are named as the respondents. The allegation is made that the railroad company is unable to pay its bond interest, which now is overdue.

The prayer is made in the bill that the mortgage be ordered foreclosed and that a sale of the property follow. It is asked that the proceeds of the sale be devoted to a pro rata payment of the bonds secured by the 1909 mortgage to the amount of \$3,500,000. That a receiver be appointed to take possession of the property and oversee it pending the final determination of the foreclosure proceedings, is another prayer.

Circuit Judge Parsons on last Wednesday issued an order granting the issuance of a temporary injunction prayed for in the bill, prohibiting the railroad company from selling or otherwise disposing of any of its property pending the injunction proceedings. Friday, October 15, has been set as the day for hearing the question as to whether a receiver shall be appointed.

Because of the fact that it is trustee under another mortgage for \$1,000,000, dated 1901, the First American Savings & Trust Company is made a respondent in the litigation. It is reported that the savings and trust company has signified a willingness to resign as trustee under the 1901 mortgage, the reason being, it is said, that it is a larger owner of bonds of the issue of 1901.

The petitioner in the suit is represented by Attorney A. A. Wilder. Former Governor Walter F. Frear, who is attorney for the Hilo Railroad Company, will prepare the company's returns on an order to show cause why a receiver should not be appointed, scheduled for hearing next Friday. It is reported that the railroad company will not object to the appointment of a receiver.

A majority of bondholders of both the 1909 and the 1901 mortgages already have signed a "bondholders' protective agreement" whereby the 1901 trust mortgage shall be foreclosed at the same time as the mortgage of 1909, and providing that the railroad be sold as a whole. The Hawaiian Trust Company now is acting as a depository for the bonds.

OBJECTS TO HAVING HAWAII LISTED AS "FOREIGN" COUNTRY

Complaints have frequently come to the Promotion Committee from local residents, that publishing houses and other mailing concerns when they are organizing such things as mail order campaigns for the sale of a new set of books, etc., refuse to consider Hawaii as part of the United States.

When people here write to these houses asking that they forward samples, word comes back that they do not do business with foreign countries.

Recently Director Taylor of the Promotion Committee has been sending letters to a number of these firms, telling them that they should remember Hawaii is just as much a part of the United States as California.

In the last mail he received word from a large Connecticut publishing house that they could not discriminate between Hawaii and other places which are far away, but must consider them foreign since they lose much money by trying to do a mail order business with such distant countries.

"If this be the case," said Taylor this morning, "I am going to try to get them to state their distinctions on their advertisements, and say 'All parts of the United States except Hawaii and the Philippines.' We must see to it that everyone on the mainland remembers every minute of the day that Hawaii is an integral part of the United States."

Music lovers will have one more opportunity to hear Phoebe Arleigh in an artistic harp concert Friday evening at Bishop hall. Tickets at Territorial Messenger Service.—Adv.
